Each player is given a secret role card.  
Reveal your role once eliminated.

On your role card is an objective.  
The first person to complete their  
objective wins the game.

any number of cards.

After your turn, pick up from the pile until  
you reach your hand limit of 5 cards.

ATTACK can only be  
used once per turn.

**ATTACK**  
Deal 1 damage to a player.

DEFEND is used outside  
of your turn to help you  
or other players.

**DEFEND**  
Block an offensive card used  
against ANY player.

Building cards give  
special perks when  
placed in front of you.

**BARRACKS**  
Increase your attack  
limit by 1.

Give each player a health bar and

The Crown must reveal their role  
and take the first turn. Turns are  
then taken clockwise.
